

We answer the top 5 questions asked by education members

Will taking a deferred salary leave increase your RRSP contribution room? Should you invest in an RRSP or TFSA; is one account better than the other for education members? Should you start collecting CPP if you've retired and turned 60?

Education members often have unique questions when it comes to their finances. Here are the top 5 financial questions asked by your fellow colleagues (and their answers): <https://bit.ly/3VWMXk7>. Brought to you by Educators Financial Group.
